DOORTEX<sup>®</sup>  
a floortex brand

Our comprehensive new range of entrance and commercial matting solutions for the home, office and industrial environments.

Multiple options, from attractive entrance mats to heavy duty protection for high foot fall areas, we've got it all covered.

And it is not just high performance protection, we also have mats that provide *extreme* comfort and excellent anti-fatigue properties!

- Indoor Entrance Mats
- Outdoor Entrance Mats
- Anti-fatigue & Industrial Application Mats

**AFS-TEX**<sup>®</sup>  
ANTI-FATIGUE SYSTEMS

## Active Anti-fatigue Mats

Standing more is good for you.  
AFSTEX mats help you to stand better.

As more and more people are working extended hours, or working from home, it is essential that exercise is not neglected.

It is also essential that relevant aspects of the fitness studio ethos are brought into the office and home - to help in the fight against the negative effects of a more sedentary lifestyle.

- Our AFS-TEX Active range makes 'working exercise' spontaneous and subconscious; strengthening the body's core and aiding long term performance. While providing superior fatigue relief.

LOGOTEX<sup>®</sup>  
a floortex brand

Fully customizable printed entrance mats for indoor or outdoor use.

All the great floor saving properties of a high quality entrance mat, but with great floor sign capability for your entry way.

- Additional creditability for your brand.
- Perfect for giving instruction or prompts.
- Great for marketing new products in showrooms or retail outlets.
- While always protecting your floors and carpets from dirt, wear and tear.

Floortex is a global supplier of innovative surface protection products with a reputation for high quality manufacture and unsurpassed customer service.

Based in the UK, Floortex has worldwide coverage through a network of partners and distributors with logistics facilities in the UK, USA and Europe.

Our UK manufacturing base offers state-of-the-art production facilities to produce a range of chair mats and surface protection solutions.

This world-class facility is backed by technical support and quality control systems that allow us to produce our innovative range to the high standards our customers expect.

50% of our UK manufacturing site's energy comes from on-site and external renewable sources. This is just part of our environmentally responsible approach to business.

Now exporting to over 40 countries worldwide, Floortex products reach destinations through a combination of major global resellers, national distributors and local specialists.

Backed by an expert sales and marketing team and a dedicated customer service operation, Floortex works closely with all of our partners for mutual success.

Floortex<sup>®</sup>, the global leaders in innovative and ergonomically superior surface protection.
